0206

A detailed floor plan of Suite 0206. The plan shows a large rectangular space with a thick black line on the left side, likely representing a wall or partition. There are several black squares placed throughout the room, possibly indicating columns or specific furniture locations. The entrance is at the top, with a small curved area leading into the main space. The right side of the plan shows a series of small, irregular shapes, possibly representing a staircase or a series of small rooms. The overall layout is clean and professional.
